# COMMUNITY ARTS OPPORTUNITY

# SUNDERLAND CULTURE

SUNDERLAND  
CULTURE

Are you a community group or  
community organisation?

Are you based in the Coalfields in  
Sunderland?

Is your group interested in working  
alongside an artist to developing new  
skills?

If so, we would love to hear from you!

Sunderland Culture is looking for passionate, enthusiastic community groups/organisations that would like to work alongside a professional artist to develop a creative project - the result of which will be shown/performed/exhibited at the ever-popular Hetton Carnival on the 22/23rd June 2019 at Hetton Lyons Country Park.

Sunderland Culture is a cultural organisation managing the National Glass Centre, Sunderland Museum and Winter Gardens, The Firestation, Arts Centre Washington and Northern Gallery for Contemporary Art. We also manage city-wide programmes including our Great Place 'Unleash' Programme which celebrates food, creativity, health and community across the Coalfields. Great Place is funded by National Lottery Heritage Fund and Arts Council England.

Following our success from last year, Sunderland Culture will be hosting our Great Place Culture Village at Hetton Carnival this Summer. Last year was a roaring success and saw a fantastic partnership forged with Events2gogo, Springboard and Friends of Hetton Lyons Country Park. The village will be bursting with colour, creativity, culture and best of all - thousands of people across the Coalfields community!

Maybe you are:

- ☀️ A Knit and natter group that would like to teach the community how to knit at the festival?
- ☀️ A gardening group that would love to develop some outdoor art?
- ☀️ A craft group who would like to learn how to make banners to be displayed at the festival?

The possibilities are endless!

Funding is available for two separate commissions. The two successful community groups selected, will each be linked with a professional artist to develop an exciting project. The funding will cover artist costs, materials, transport and potentially staffing related to the project. There is up to £2,000 for each commission.

**The process to apply is very simple. Simply fill in the information below and send it back to us by email by 30th April 2019.**

This is where WE NEED YOU!.....

# PROPOSAL

Organisation/group name:

Address of Organisation or venue:

Lead contact name:

Number:

Email:
