

CREATIVE CHALLENGE: EASTER WREATH

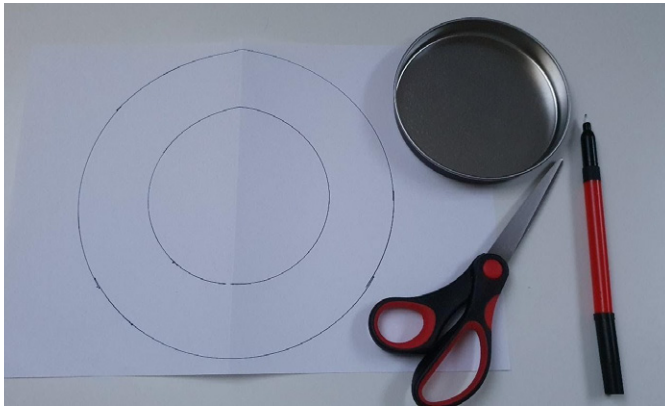

You will need:

Egg box or card
Sheet of thick card e.g. cereal box
Paper – green if you have it but any colour will do
Paint / felt tips / colouring pencils
Scissors
Glue or a stapler
String or any kind of thread

Optional:

Sequins, glitter, pompoms, pipe cleaners... anything else you have to decorate
Bowls or similar to draw around – two different sizes to make a ring

CREATIVE CHALLENGE: EASTER WREATH

1. Make your wreath ring by drawing a large circle around a bowl or plate. Draw a smaller circle in the middle to make a donut shape. Make sure your inner circle is small enough so that the ring is broad enough to decorate well.
2. Cut around the larger circle.
3. Fold it in half so you can cut the middle circle out without damaging the outer one.
4. Cut leaves out of paper and decorate them individually.
5. If you have an egg box, separate the wells for the eggs and shape them to be flowers. If you don't have an egg box, use some other card and cut petal shapes. You can bend them to make the curl outwards. Decorate them in bright colours
6. Make a loop of string or thread and attach it to the top with a staple. You could also make a hole and thread it through.
7. Arrange your petals and flowers around the wreath shape; staple or glue them down when you're happy with the arrangement.
8. Hang up to decorate your home.
