

ARTS AWARD DISCOVER

Hello!

Sunderland Culture will be running a digital 6 week Discover Arts Award. Over 6 weeks, starting on the 25th May, participants will do fun activities, find out about some of the artists we work with, discover new things about our venues and share their journey with others. At the end you will gain an Award and certificate!

What is Arts Award?

Arts Award Discover is an introductory award.

To achieve an Arts Award Discover, children and young people collect evidence in an individual arts log of their experiences of:

- taking part in arts activities
- researching artists or craftspeople and their work
- sharing their arts discoveries

Who can take part?

Anyone aged 5- 25 can do a discover arts award!

How does it work?

Each week there will be a different challenge and log sheets to fill in. These will be uploaded to our Website and shared via social media. You can either download these and print them at home or if you can't print it out it is fine to copy it down on a piece of paper and do your own booklet! Parents/Carers/Guardians can support and scribe for young people and you could also be filmed rather than write too that's fine! You can also draw your answers, whatever works for you! You can complete each section however you feel comfortable.

Accessibility: If you or your child requires the information and challenges in a different format please get in contact with Rachel. hamer@sunderlandculture.org.uk so we can tailor it to your needs. How much does it cost?

It is free to take part, but places are limited (...so sign up asap to avoid disappointment!)

Moderation: At the end there will be a form to fill in on our website with a few questions about the journey and details about your young people including Date of Birth, Full name and address (this is only used to log the moderation)

Certificate and Celebration: At the end of the project, once we are able to, we will be holding events in our venues for you to come celebrate and get your certificate. For those who cannot attend we will post of certificates.
