

ARTS AWARD DISCOVER

PART A: **TAKING PART - DANCING ROBOTS**

Well done on making your wonderful robot! Now is your chance to tell us all about what you made, what you learnt and how it felt. This part can be completed in writing or drawings and adults can annotate for young people. Remember you can print off this sheet or make your own version!

What did you make and how?

Here is a picture of it!

What did you enjoy about making your robot?

What three things did you learn/develop?

- 1.
- 2.
- 3.

How did you feel?

Share your robot on social media using the hashtag #SCartsaward
