

MUSEUM COLLECTIONS CHALLENGE

Now its your turn to choose your favourite object from the Museum and complete the challenges in our Museum collections challenge. You can choose any object or artwork. What will you pick?

My amazing fact about the
Museum is...

My favourite Museum object is...

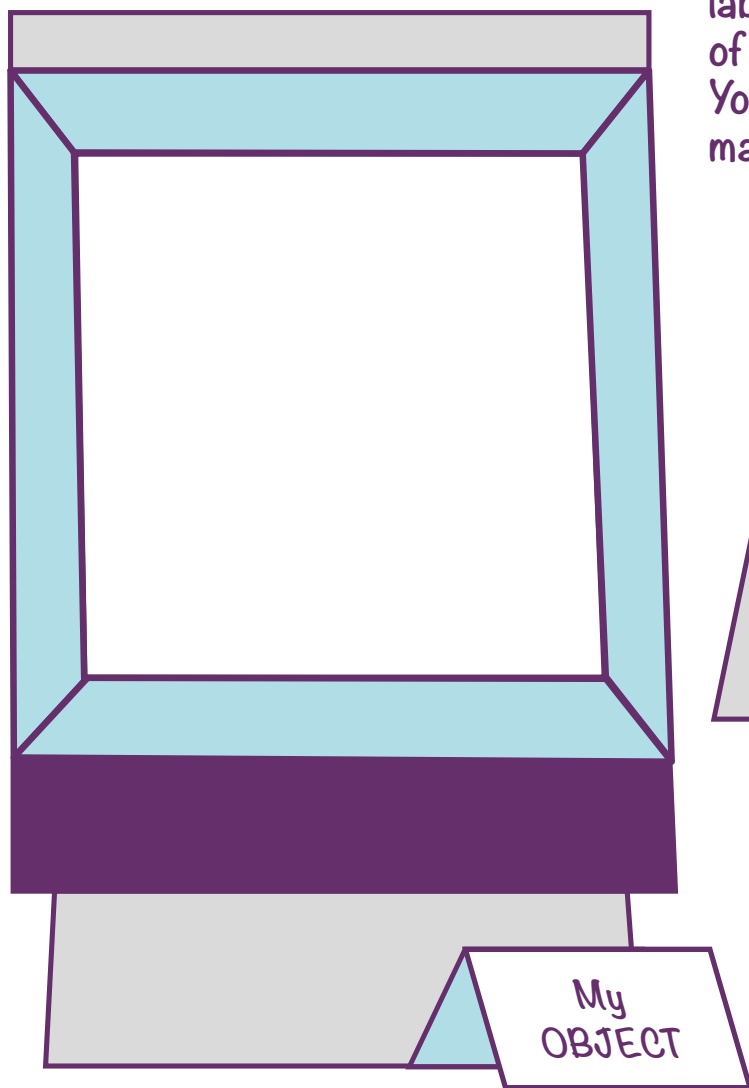

I chose this because...

This is a drawing of my favourite object:

If you could choose your own special object to put in the Museum collection what would it be?

Draw it in the Museum case...

Can you write your own interpretation label for your object? (this is the story of your object and why you chose it. You could write its name, the year it was made and why it is special to you)

My object is...

I chose it because...

Take a photo of your drawing and post it on the Sunderland Museum facebook page

If you would like to take your challenge further this week why not take some photographs that represent lockdown for you to submit for our new collecting project to record and capture the experiences of Sunderland residents during the coronavirus pandemic? For example this could be your daily walk, your home school or artwork in your window. Then submit up to 3 images to us for our collection. Information on how to submit your work can be found here: <https://sunderlandculture.org.uk/events/collecting-covid-19/>
