

ARTS AWARD DISCOVER

PART B- RESEARCH

FINDING OUT ABOUT ARTISTS

Across our venues at Sunderland Culture we work with, exhibit, support and showcase fantastic local, national and international artists. In this section we want you to do some research and find out information about an artist.

Using the following links, we want you to find out about an artist and their work. We would like you to create an artist profile to teach others what you have found out. For the arts award we want you to create one artist profile but if you want to extend this section further you could find an artist from each venue! You can create the artist profile however you feel comfortable through writing, drawing or video

[From National Glass Centre](#)

[From Arts Centre Washington](#)

[From Sunderland Museum and Winter Gardens](#)

Have fun researching and finding out about some brilliant artists!

Artists Name:

What do they use to make their art?
(For example is it paint, clay or glass?)

In which of Sunderland Culture's venues would you find their work? (It will be in the website link you followed to find the artist information)

Draw a picture of one of their pieces of art:

Why have you chosen this piece?
(Do you like the shape, story or do you think it is well done?)

What do you think of their work?
(You can be honest! Tell us if you love
it or if you don't, tell us why!)

Tell us one more fact about the
artist (this could be where they are
from or something about the type
of work they make)
